Club agreement for the use of Bisley and MoD ranges

As Chairman of the club named above, I agree that:

- Our club will follow the NRA Safe Shooting System.
- I will certify all members who request to be certified and who I judge to be safe and competent and provide a list of names of certified members to the NRA for their records.
- I will ensure that anyone shooting with the Club holds a valid certificate from a club affiliated to the NRA except in the case of Probationary members or those listed in Appendix 3 to the MoD agreement.
- Any new members to our club will complete the NRA probationary training course (either run by the NRA or by ourselves). If our club wants to use our own course, we will apply for accreditation by the NRA.
- I will maintain adequate records of our training and certification systems for possible audit by the NRA or MoD.
- I agree that our club will take part in any investigation conducted jointly by the NRA and the MoD following an incident on an MoD range and will require our members to assist fully in any such investigation.
- I understand that only cards issued by the NRA are valid. Replication of these cards is considered an NRA disciplinary offence.
- I understand that the cards are only valid whilst the person they are issued to is still a member of this club and will return any SCCs of members who have left the club to the NRA.
