

NATIONAL RIFLE ASSOCIATION

NRA BLACK POWDER COURSE

SUNDAY 20 NOVEMBER 2016

AIM

The Black Powder (BP) Course will provide training in the safe and competent use of Black Powder/Muzzle Loading Firearms (i.e Percussion Pistols, Black Powder Revolvers, Musket and Muzzle Loading Rifles). The course is open to all full NRA members including those who do not currently hold an FAC, possess the appropriate firearm or hold the relevant disciplines on their Shooter Certification Card (SCC).

The course will involve both classroom and practical range work with expert coaching from national and international level shooters. Attendees will be assessed over the course of the day to add Muzzle Loading Pistol & Rifle to their NRA Shooter Certification Card, allowing them to hire Black Powder kits from the NRA Armoury using black powder substitutes.

TIMINGS

Please arrive at 08.00-08.15 hrs for 08.30 hrs start. You will break for lunch 12.30-13.00 hrs and the course will finish between 16.00-16.30 hrs.

COURSE FEE

The course fee is £95 for NRA Members and £105 for Non-NRA Members, with a 40% discount for Under 25s. This fee includes range fees, targets, individual coaching, ammunition and firearms.

DRESS AND EQUIPMENT

Training involves both classroom and range based training. All shooting equipment is provided, however if you have your own ear defenders and safety glasses please bring them. Suggested kit:
