Light lunches are available to purchase from a selection of the clubhouses on camp or the Clays Café for around £5. Alternatively you may provide your own packed lunch. Tea and coffee will be provided free of charge.

Sessions consist of a mixture of classroom and range based training and generally run from 0830-1630. All shooting equipment is provided, however if you have your own ear defenders please bring them with you. A suggested kit list is:

- Suitable outdoor clothing - we recommend warm clothing with a good quality walking style outer jacket and light walking trousers
- A cap or other head gear
- Sturdy walking boots, as the ranges may be muddy underfoot
- Small back pack with water, flask of tea/coffee, snacks, sun cream, spare top, waterproofs, gloves
- Notebook and pencil
- Binoculars if available

All training depends on suitable conditions so if the weather becomes too foggy/cold/wet/windy etc, a lesson may have to be changed.

Unless otherwise stated, courses run from 0830 till 1630 assembling in the NRA marked by the arrow below:
