DON'T SQUAD ME BUT I WILL COME ON				Sat 15 th		(tick)		Sun 16 th		(tick)	
I am unable to attend on				Sat 15 th AM				Sun 16 th AM			
				Sat 15 th PM				Sun 16 th PM			
My preference for squadding is (Enter order of preference, e.g., 1, 2, 3)				Sat 15 th AM				Sun 16 th AM			
				Sat 15 th PM				Sun 16 th PM			
Ideally I would like to reserve a firing-point for ***				One half-day				Two half-days			

*** you must have booked at least 4 Scorecards for each half-day

On arrival you must sign in and we will need to see your *bona fides*— Membership Card(s) and “Shooter Certification Card (SCC)” for M-L pistols – you can get one from your Club Chairman. If you do not have one you *can* shoot if you are “supervised” by someone who has one, and it *may* be possible for us to make arrangements for this -- - *please contact us*.

Don't forget to claim the EARLY ENTRY DISCOUNTS (£2 off Registration and each Scorecard) and also the £2 discount if you are a member of SLRC and/or NRA and/or MLAGB. To do this, please get the Entry Form to us by June 25th.

REGISTRATION includes ONE Scorecard. *Please ensure that you have entered this overleaf.* Additional Courses can be entered in advance if you know what to shoot -- *fill in the form overleaf so we can prepare your Scorecards.*

OR you can purchase VOUCHERS and decide on Scorecards (with our help) when you arrive

OR you can turn up and see if there is range space on the day(s).

Registered Competitors take precedence and “Earlies” will pay the reduced Match Entry Fees.

There is a “2-pager” included with this Entry Form to help you sort out the basics ---this includes a table showing common firearms and what they are eligible for. If you are STILL unsure of what matches to shoot with the pistols/revolvers that you have, then you need our “WHAT CAN I SHOOT WITH THIS?” form. E-mail <slrc@jimhallam.eu> with “What can I shoot?” as the subject -- AT LEAST 10 DAYS BEFORE THE MEETING (if sending it by post please include an S.A.E. for our reply) and I will try to help. Please be patient -- we are all unpaid volunteers!

AWARDS are scaled according to entry. PLACES – 1-3 firers = 1st, 4-6 = 1st & 2nd, 7+ = 1, 2 & 3.

After the Place Awards we give Skilled Shot Certificates to 20% of entry; First Class Shot Certs to 10%, Marksman to 5%.

Obviously in some courses a 2-handed hold has a significant advantage, so for these we ALWAYS have separate Prize Lists, but where they are combined we make Special Awards for the highest scores fired Offhand. The same principle applies for “Single-Action” in faster courses -- and also Awards for “Open Frame” revolvers or “Originals”.

MATCH CODES are in the format --- [Class of Firearm][1 or 2 hands] – [Course of Fire] – (and sometimes also) [Single-or Double-Action]- e.g., S2-R-H means a STANDARD PERCUSSION REVOLVER, fired 2-handed –RAPIDFIRE, and Hammer-cocked (single action). Percussion Target Revolver can ONLY be fired OFFHAND, whereas in FREE REVOLVER you can use EITHER.

REMEMBER –

- (a) you may want to shoot the SAME firearm in the SAME Course using two different stances --- e.g., shoot Standard Revolver SLOWFIRE both Offhand AND Supported; so you would enter a 1 in the “Number of Entries” column for S1-S and ALSO for S2-S ;
- (b) OR the SAME course with DIFFERENT firearms – e.g., shoot TIMEDFIRE with a “Colt” M1851 and a M1860, --- or BOBBER twice each with both a Patriot and with a Smokeless-converted Ruger Old Army. – so you would put a 2 in the box;
- (c) In theory you could use the same firearm FOUR times in some Matches! (e.g., a Standard “Remington” in RAPIDFIRE, or a “Westlake Alfa” in “SURRENDEN”)

ENCLOSED is my cheque	made out to	“SOUTH LONDON RIFLE CLUB”	FOR	£
