

National Rifle Association

NRA Shooting Club

The National Rifle Association is the governing body for fullbore target shooting. It is also a Home Office Approved club and so we have organised a shooting club aimed primarily, *but not exclusively*, at the new shooter, to improve marksmanship, encourage participation in competition shooting, share knowledge & meet other shooters.

We provide practice sessions on a variety of ranges twice a month as well as arranging special skills days and guest days. The club has a variety of firearms and kit available for club days.

There will not be any formal training, as the NRA runs skills courses, but there will be advice available from more senior & experienced members.

We are looking to recruit help from those with expertise in the various disciplines; members who have completed their probationary course and anyone who would like to become involved.

If you are interested in being a part of the NRA Shooting Club then please contact Caroline O'Connor Tel: 01483 797777 x158 or Email: nrasc@nra.org.uk.

Kind regards
