Dear Mr. Higgins,

Following your conversation with my research
Democrat Hughes after the meeting on 23
June I would like to request a further
meeting to view and discuss a short
presentation on the British Shooting bid
to host at Bisley the Olympic and
Paralympic events. (You saw this on 16
February).

This would enable you to comment on
the main points of the bid and explain
in detail the reasons for its rejection. I
must tell you we were less than impressed
at your comments on 23 June, as well as
those for your alternative choices.

Carol.

2.

There are also concerns over the venues for other sports reflecting doubts about scale, safety, security cost and legacy.

Please could you suggest any three dates and times that I could try to arrange a meeting with you, my colleagues and others with an interest.

Thank you for your assistance.

Yours sincerely,

Ron Galt

Lord Galt of
Castle Vale

Mr. David Higgins
Chief Executive, OAA.
