

Team Journal – Part 4

Sunday 15th August

A trip to stats first thing to discover that Nigel Ball had come 3rd in the **Army & Navy Veterans**, his 73.10 having been beaten by two scores of 74.6. Notably, Nigel had hit the v-bull twice more than any other competitor - if only the bull was smaller. One of the shooters in a tie for 1st place is Serge Bissonnette who has been of great help to the team, particularly in assisting us in clearing Canadian customs.

Last evening's meet and greet and barbecue went well; team members got to meet their 'nieces and nephews' - cadets with whom they had been paired. The mosquitoes, too, ate very well.

Conditions as we went out to shoot the **Tilton** were fine; a cloudless sky, a light (steadyish) breeze from the right and the day warming up nicely. Even the Canadian bugs seemed to be getting less keen for the taste of British blood. Quote of the day came early, from Nick, who reported (after his two sighters at 300m had come up inner, outer) that he had thought to himself "I must, at all costs, stay out of the outer." - he went on to score 49.1. Honours in the **Tilton** went to Toby Raincock, continuing his form of yesterday, with 100.16, which turned out to be the winning score. Close followers were David Calvert (2nd), David Luckman (4th), Parag Patel (6th), James Watson (8th), Jon Underwood (10th), Jane Messer (14th) and Mary Boston (15th) all of whom scored 100.

In the afternoon we shot the **Macdougall** (2 and 10 at 300m and 500x). The conditions were benevolent: perhaps a little warm for a Northerner but with a very gentle breeze requiring little more than a minute at 500x. Nine team members scored 100 - David Calvert leading the pack with 100.17, followed by Jon Underwood (100.14) Our Captain (100.13) David Luckman (100.13) Mary Boston (100.11) Jon Cload (100.11) Jeremy Langley (100.10) Martin Millar (100.10) and Jane Messer (100.8).

On the day, the team was able to put forward 5 scores of 200 headed by David Calvert who has had a magnificent day with a total of 200.32. Also clean today were David Luckman, Jon Underwood, Mary Boston and Jane Messer.

At 5.30 the whole team assembled, in glorious late afternoon sunshine, to watch the tieshoot between David Richards and Bryan Kaufman from Ontario for first place in the **Ottawa Regiment** (which David had won 12 years ago during his last visit to shoot the Canadian Open). After 5 shots both David and Bryan had scored 25.2 so they moved on to sudden death. Bryan fired first - his target was kept down until David had fired and his target had been marked. When they came up together David had won by a bull to an inner. A very happy team event.

The team now has 3 victories to its name from the 4 individual competitions results of which have so far been announced. We also have hopes for David Calvert's 100.17 in the **Macdougall**.
